"In the beginning was the Word; the Word was in God's presence, and the Word was God. He was present to God in the beginning.

Through him all things came into being, and apart from him nothing came to be.

Whatever came to be in him, found life, life for the light of men. The light shines on in darkness, a darkness that did not overcome it."

WE PASS THIS WAY BUT ONCE

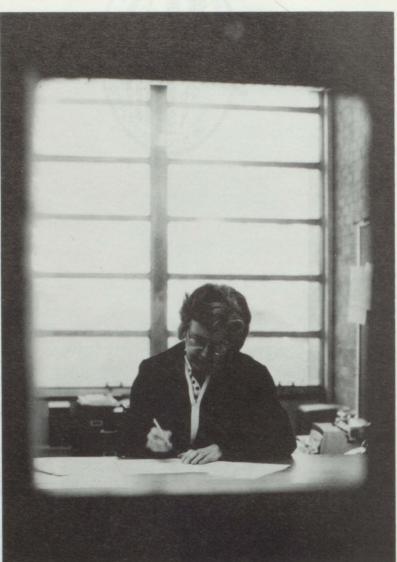

New Dimensions in Education

Although aware of announcements being made every morning and during the day and of being called down for misbehaving, many students don't realize the important role the Administration plays in the school. Vital decisions which insure smooth running of the school are constantly made concerning finances, the new buildings, and school policy. On the shoulders of the Administration rests the responsibility to uphold the name of de Sales. Under their guidance, the school year is more productive, harmonious, and enjoyable.

Resolved to further the knowledge of students at de Sales, the faculty faithfully works side by side with us, day after day, patient with those who can't quite understand; they are always willing to listen when students have problems. The faculty is also interested in extra-curricular activities, and can be found at games with spirit rivaling that of the cheerleaders. Seldom fully appreciated for their efforts, the faculty nevertheless strives to challenge us to new horizons.

SENIORS

Seniors

Drawn even closer in the knowledge that this is their last year together, the senior class has found that it is not too late to make new friends. Rushing to get back to class after taking off for lunch at the Burger King, pumping out the aquarium in Advanced Biology, or walking across the tennis court, the seniors have become a unified group in their four years together. In the hassle of choosing a college, applying, and agonizing over the wait for a letter of acceptance, they are also wrapped up in Dope Stop, art, cheerleading, basketball, Press Club, tennis, Hamlet, senior privileges, graduation, bonfires, composition, and after school jobs . . . yet through these activities the seniors are enthusiastic.

COUNTDOWN 4-3-2

One good time after another—that's how the life of a Junior goes in his role as a leader. Soc-hops and turkey raffles are only two of the many activities that have been initiated under the guidance of the Juniors. However, a Junior's life is not all play. Preparation for SAT tests, Chemistry, and American History consume many hours of study time. The most valuable gift the Juniors give to the school is their enthusiasm, support for its functions and relentless drive. They are coming toward the end of their journey to fulfillment.

Can you share the joke with us, Katherine and Michelle?

SOPHOMORES-

A fresh, excited energetic group . . . This really describes the Sophomores. The new duties thrust upon them are taken willingly and carefully carried out. A new world of wonder opens before them. New subjects, Biology and its life's processes, Geometry and its theorems, and history of ancient nations inspire these potential leaders. The challenge is accepted. The class of '75 marches forward.

FRESHMEN-THE BEGINNING OF

A new wonder, a new world, and a new wisdom . . . all of these await the Freshmen as they try to get used to a totally different environment. Shoved into maturity, they must face the challenge thrust upon them with fortitude. Learning a completely new language, solving equations for algebra, doing forward rolls in P.E.—all of these contribute to a well-rounded student. They are now able to finish their years at Mt. de Sales knowing that they have made a good beginning. They have only begun their venture into a new tomorrow.

ACTIVITIES

LET'S MAKE A DEAL

The most important media at Mt. de Sales is the Student Council. A clear channel of communication is opened between faculty and students by the work of its dedicated members. Led by four persevering officers who represent the opinions of our student body, they try to amplify school spirit by raising to new heights the pride that we have for our school. The snow cone sale in the fall and the Homecoming dance are only two of the many activities sponsored by the Student Council. The voice of the students has been strengthened this year by the Student Council.

Home coming "Campaign '72" is one of the projects sponsored by Student Council.

Student Council officers are pres.—D. McCunniff, vice-pres.—D. Paulish, treas.—J. Connor, sec.—T. Deep

"Whoops! Not too much now."

"Who's Who" in '72 are D. McCunniff, D. Durham, G. Clark, M. Gebara, D. Paulish, C. Hofstadter, D. Wargo, J. Benedetto, G. Cason, and T. English

The very "studious" looking National Merit Semifinalists are Mary Jane Dickey, Gerald Clark, Scott Sherrill

During their senior year the hard work of the high school years pays off for many seniors in the form of senior honors. Selected on the basis of scholastic achievement and extracurricular activities, these seniors are named to represent the school in various societies and in some cases are eligible to compete for college scholarships.

The "swinging" Outstanding Teenagers of America are front to back: T. English, M. Cassidy, M.J. Dickey, D. McCunniff, and G. Clark.

MISSION IMPOSSIBLE

A lasting memoir of a memorable year—obviously the creation of such a work is difficult. Able to do the job is the staff of the '73 Salesian. These dedicated members of our school strove to recreate the year gone by through pictures and words. With patience and care they took random pictures, and by placing them strategically they reconstructed most of the high lights of a great year. Giving up many weekends, the crew worked untiringly and even went all the way to Atlanta for a special job. Many of the members sacrificed in order to be at the best place at the best time for a key picture, and the result is a beautiful yearbook filled with love.

Layout page, assign, interview, write, re-write, meet deadline, edit, type, send to printer, edit copy, paste up page, return to printer, roll the presses, whew! So goes the publication of an issue in the life of the newspaper staff.

The Press Club is made up of students dedicated to printing the news and getting the job done right. Under the leadership of Miss Warren and the editors, the staff is trained to write stories properly according to newspaper policy, and to help the editors with page lay-outs. Sometimes discouraged by a cancelled or re-written story, the reporters nevertheless keep those stories coming in and another issue is born.

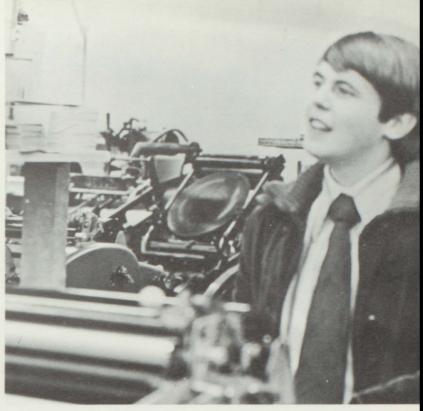

"Whoops!" says Newspaper Staff Advisor, Ann Warren.

CAMPAIGN '72: Eight seconds left to the half-time and nervousness sweeps across the Homecoming platform. Feet begin to shift uneasily and ties are adjusted, blouses straightened and a stray lock of hair tucked into place. Now it is time to form the line and the "butterflies" are moving faster. Oh, no! All those people! Now they are calling out the names! Well, here goes! What if the mud should splash on us? What if the corsage falls off? Smile big. They are introducing Debbie and Steve. A very important outlet of our school spirit is cheerleading. The girls who so unselfishly give of their time and energy in order to lift the spirits of our athletes and to raise to a peak the enthusiasm of the student body. They lead us to spirited outbursts of athletic zeal and work to keep a running current of interest in all of our teams. The attractive bulletin board in the cafeteria always shows the current foe of the Cavaliers, thanks to these talented girls. The cheerleaders—the voice of spirit!

CAVALIERS MAKE A REMARKABLE IMPACT

A truly dedicated group of men, the football coaches work long hours to build our team, sacrificing weekends, and conscious always that they must set the pace for the team. It is the coaches who spur the boys on to victory and rally them forward from the disappointment of defeat.

Beginning weeks before school starts, the coaches spend long hours of practice in the hot sun patiently instructing, agonizing over decisions, and booting sagging morales.

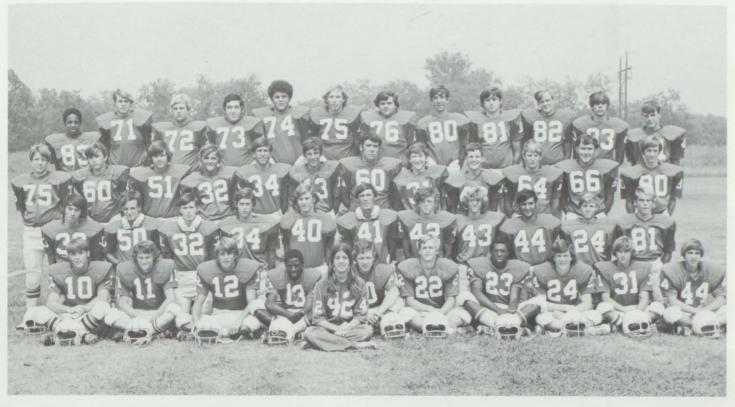

However, their job is not restricted to the players alone. They are also responsible for igniting the spark of enthusiasm in the students, knowing the value of student support at games. Often taking a back seat to players in the congratulations after victories, the coaches are to be thanked for a fine season.

Jimmy Viviani, Randy Callen, Kelly McAfee, Mark Pierce, and Steve Kruger get psyched out during half-time while listening to Coach Garvin encourage the team on.

In Class "A"

VARSITY FOOTBALL TEAM pictured from left to right; First row: Johnny Henderson, Mark Pierce, Way Duckworth, Greg Slocum, Mary Jane Dickey, Chris Cramer, Hart Mallory, Robert Slocum, Joe Moran, Sammy Deep, Brian Saunders; Second row: Jimmy Mullaney, Phil McGoldrick, Mike Hardy, Randy Perry, Kelly McAfee, Jimmy Viviani, Ricky Shurley, David Graves, George Marinos, Hal Blount, Wes Peavy. Third Row: Danny McGoldrick, Mike Knight, Bert Wilcher, Joey Fortner, Eddie Josey, Robbie Nichols, Jack Considine, Bill Harvey, Matt McKenna, Johnny Walsh, Glenn Kelly, Jim Jordan; Back row: Larry Lawrence, Randy Callen, John Willis, Steve Kruger, Eddie Brickle, Tom Harrison, Ronnie Kutay, Tom Dombrowski, David Taylor, Joey Hammonds, Pat Sheridan, Mike Viviani.

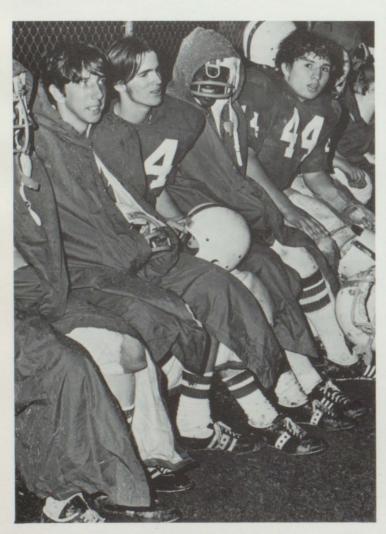

Hard work pays off for Curtis Stephens, Johnny Henderson, Mark Pierce, Kelly McAfee, Phil McGoldrick, Joe Moran, Jack Considine, and Eddie Brickle, as well as Coach Garvin. Honored in an assembly before the students, the players display the trophies earned for Co-Offensive Back, Golden Helmet, Most Valuable Player, Co-Offensive Back, Best Defensive Back, Best Hustler, Most Imporved, Best Offensive Lineman and Best Defensive Lineman.

Kelly McAfee, unassisted, stops the ball carrier short.

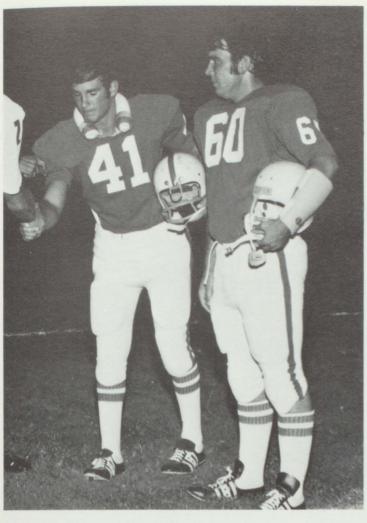

In the Hawkinsville game, Kelly McAfee charges ahead as Robert Slocum blocks.

Tom, John and Mike watch the game as Greg smiles pretty for the camera.

Coach and Mike Garvin advise quarterback Johnny Henderson on the next play to be run.

Captains Jimmy Viviani and Jack Considine shake hands with opponents' captains after the coin toss.

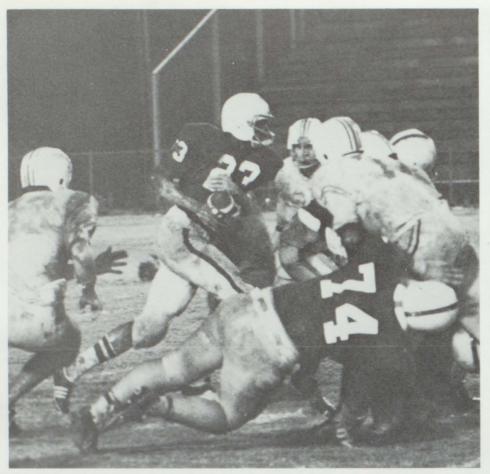

Jack Considine, Curtis Stephens, Way Duckworth, and Phil McGoldrick pose, tired but happy, after a very exciting game.

Curtis Stephens is knocked down in the game as Steve Kruger pulls a Viking out of action in a block.

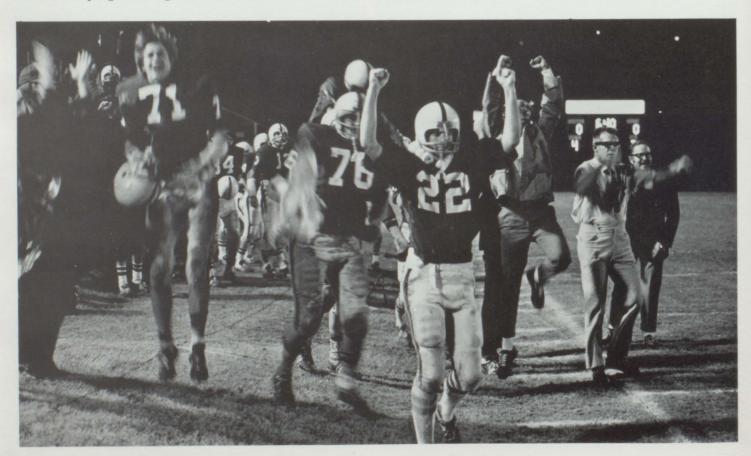

Before the action begins Curtis Stephens tries to imitate the cheerleaders.

Robert Slocum plunges headlong into a wall of tacklers as Eddie Brickle tries to clear the way.

Johnny Henderson is off and running with the first touchdown of the game.

The Cavaliers' bench goes wild as the first touchdown is scored in the Hawkinsville game. The team forges ahead to defeat Hawkinsville.

Eddie Josey lends a helping hand in the tumult of a locker room.

VARSITY BASKETBALL TEAM—Left to right, first row: Way Duckworth, Dennis McCunniff, Mary Jane Dickey, Coach Joe McDaniel, Chris Jaindl, Robert Slocum, Standing—Chris Cramer, John Andros, Mark Pierce, Tom Dombrowski, Johnny Henderson, Carl Hofstadter, Carl Yockman, Ray Jaindl, and Erbin Troutman.

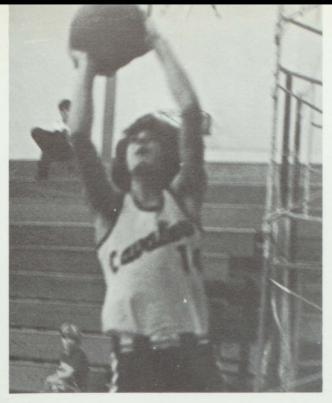

Way takes advantage of a time out while listening to Coach McDaniel's next plan of strategy.

Johnny Henderson displays one of his super human feats in basketball.

Our Mount de Sales basketball team moved into Class A this year and had a mighty tough time. In the beginning of the season, the Cavaliers suffered defeat after defeat. Gradually, they learned what they were up against and began showing the opposition the true meaning of a "fighting" Cavalier. With a combination of enthusiastic fans, fine coaches, and a team of determined young men, the Cavaliers could do nothing but go forward.

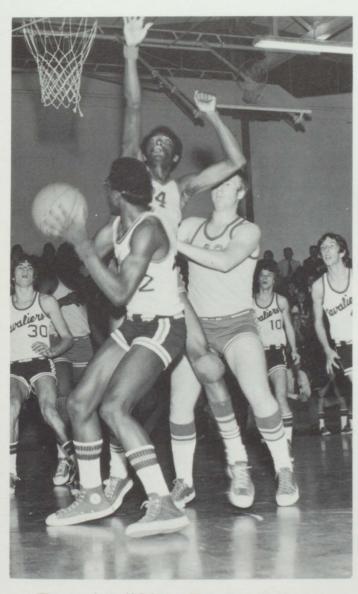

We the yearbook staff of 1972-1973 along with the rest of the school congratulate you for a fine season.

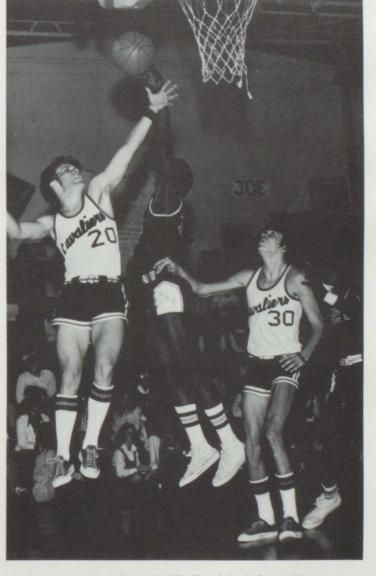

Carl Hofstadter goes in for two points from the outside.

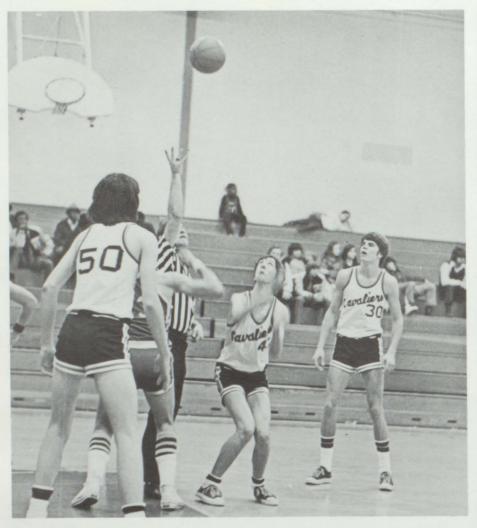

Mighty Robert shoots for two while Chris Jaindl awaits the rebound.

Way comes in to aid Robert as Mark surveys the situation.

Johnny leaps skyward while Way defends his position.

Tom goes up for the tip while Way and Carl look on.

"Oh, no! How could they?" moans Coach McDaniel over a turnover.

Chris Jaindl jumps high for goal over big opposition "Moose".

GO GET 'EM GIRLIES!!!

Still a young team, the lady Cavaliers, led by that "allaround good guy" Coach Mike Garvin, have seen a difficult season, high lighted by several victories. The happiness and enthusiasm of the girls over well-earned victories illustrates what happens when the following ingredients are mixed:

Coach Garvin; the girls' playing; conscientious practice; support from the bench; excited fans; cheerleaders; understanding parents; and last, but not least, Jane Conner

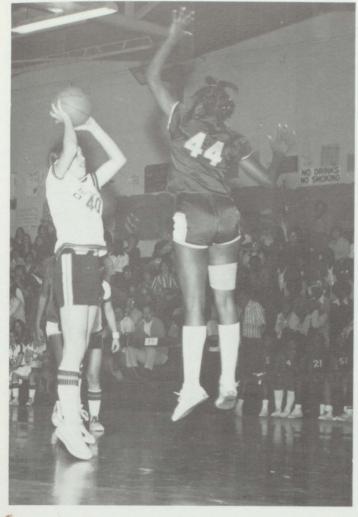

The experience gained by the girls this season will prove invaluable to them in coming seasons. The girls have emerged from the season a little more confident and a little more mature.

"This little piggy went to market, this little piggy stayed home," chants Coach Garvin during timeout.

The 1972-73 Lady Cavaliers' basketball team included, left to right, manager Jane Conner, Lisa McLemore, Peggy Considine, Jody Davidson, Mary Cole, Kathy Hammonds, Debbie Freund, Sally Thomas, Patti Neal, Susan Zaenglein, Kathy McAfee, Liz Ryder, Linda Brantley and Anita Lott.

"Better get out of my way or I'll hit you," Linda warns number 44.

Anita Lott shows off some of her fancy footwork.

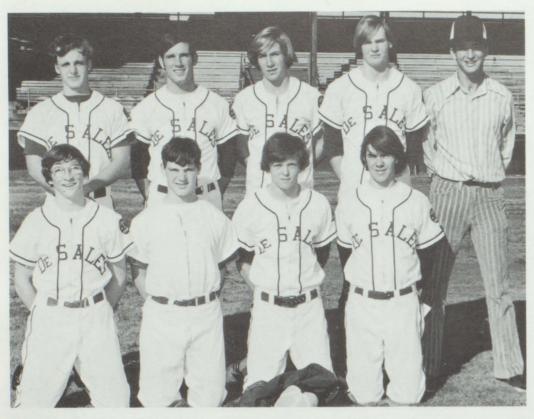

"Boo," says number 13 as Susan searches for a teammate.

"C'mon, give it here," says Patti Neal to a fast-moving opponent.

Boys' Tennis Team Players—back row, left to right—Mark Rogers, Bobby Bunch, Richard Rogers, Dennis McCunniff, Bryan Leskosky, front row, left to right—Steve Wach, Cal Hays, and Greg McKelvey.

One of the newer athletic teams at De Sales, the tennis team this year is enjoying its second season although other sports have the advantage of a head start, tennis is rapidly gaining in popularity and is holding its own in the athletic program of the school. Under the direction of Coach Garvin, the boys' team has already earned honors for its performance tournaments.

NEW GYM EQUIPMENT ADDS Under the guidance of Coach

Don't laugh at me, Bill.

Debbie Peden doesn't seem to understand that Debbie Wilcher is more interested in seeing if Mary Jane Dickey can be successful in her attempt at a graceful hand-stand than she is with learning a new dance.

Under the guidance of Coach Henderson, the gymnastics team practices mornings before school, as well as each Sunday afternoon. Now challenged further by the addition of new gym equipment, the members of the team constantly work out to build skills

DEAR GRADUATES:

We hope your years at Mount De Sales have fueled your inner fires of knowledge and human warmth enough to enjoy your adult life.

Henry Ford and his associates did more to contribute to the economical and thus social welfare of Michigan than all of the Michigan state legislators, Michigan Governors, U.S. Representatives, U.S. Senators, and American Presidents combined (and usually despite them).

You with the help of your parents, friends, and your teachers are usually able to do more for yourself and those you love than the entire remainder of the universe and do it better!
